COTEC HEALTHCARE PVT. LTD.

About Us

Our Company was incorporated as Cotec Healthcare Private Limited on 1998 as a private limited company under the Companies Act, 1956. It was established by late Mr R.K. Tiwari, who was M.Sc. in Chemistry, having a vast experience of 48 years in running a Pharmaceutical Company. Now, the company is headed by Mr. Harsh Tiwari, Managing Director, who holds a degree in Chemical Engineering and Dr. Vandana Tiwari, Technical Director, a Doctorate in Microbiology from Jawaharlal Nehru University (JNU), New Delhi.

We attribute our growth and success to a diverse team of dedicated, enthusiastic and experienced professionals who are committed to providing excellent pharmaceutical products around the world. Our company is renowned for its quality standards and efficacy of the products. We are a fast growing Indian Pharmaceutical Company committed in developing, manufacturing and marketing a broad range of pharmaceutical products. Our forte is developing and manufacturing varied pharmaceutical products in-house, which we commercialise through our relationship with big multi-national companies across the world.

Our manufacturing unit is located in Roorkee, Uttarakhand (India) with an Administrative Office in Ghaziabad, India. We are one of the large contract manufacturing companies in India. Our company engages in manufacturing of pharmaceutical formulations, Ayurvedic/Herbal preparations, hormones, nutraceuticals and more. We have a huge capacity to manufacture tablets, capsules, syrups, ointments, sterile powder injectables and liquid injectables.

We manufacture a portfolio of Branded Generic Products across India and around the world to various countries such as Ivory Coast, Ukraine, Vietnam, Uzbekistan, Kazakhstan, Myanmar, Mongolia, Kyrgyzstan, Republic of Baku, Tajikistan, Turkmenistan, Cambodia, Benin, Burkina Faso where we are developing our presence by alliance with other pharmaceutical organisations that value our partnership for the quality of product we provide. Quality, innovation and customer satisfaction is our asset.

Our state of the art manufacturing facility has been appreciated and approved globally by various regulatory authorities. We are a WHO-GMP, FSSAI, ISO 9001:2015, ISO 14001 certified company & Government recognized Export House. Our goal is to maintain and exceed the quality parameters and to redesign healthcare.

Mission

We are committed to developing, manufacturing and marketing high quality products to our customers in India and around the world.

Vision

To be a leader in the Pharmaceutical Industry by providing high quality, affordable and innovative solution in medicine.

Aclotec-P

Composition :
Aceclofenac 100mg+Paracetamol 325mg

Packing :
20x10

Indication :
Used for the relief of pain and inflammation. Combination is very effective in joint pains and swelling.

Amoxycillin Kid 125 mg.

Composition :
Amoxycillin 125mg

Packing :
20x10

Indication :
Used in children In Upper Respiratory Tract Infection, Lower Respiratory Tract Infection, Urinary Tract Infection & Dental infection

TABLETS

Apitec

Composition :
Cyproheptadine Hydrochloride 4mg

Packing :
10x5x10

Indication :
Increases Appetite.

Caltec-500

Composition :
Calcium+ Vitamin D3

Packing :
20x15

Indication :
For Healthy teeth and bones, Indicated during Growth, Fractures, Pregnancy, postmenopausal years. Vit D3 increases the absorption of Calcium in body

Cefatec-200

Composition :
Cefixime 200mg

Packing :
10 x 10

Indication :
Used for respiratory tract infections and ENT infections.

Cinagra-50 mg.

Composition :
Sildenafil Citrate - 50mg

Packing :
1 x 4 x 20

Indication :
Improves erectile function and overall sexual satisfaction

Cinagra-100 mg.

Composition :
Sildenafil Citrate - 100mg

Packing :
1 x 4 x 20

Indication :
Improves erectile function and overall sexual satisfaction

Ciprotec-250

Composition :
Ciprofloxacin Hydrochloride - 250mg

Packing :
10 x 15

Indication :
Respiratory tract infections, urinary tract infections, E.N.T., skin infections and soft tissue infections, gastro intestinal tract infections, intra- abdominal gynaecological infections

Ciprotec-500

Composition :
Ciprofloxacin Hydrochloride - 500mg

Packing :
10x10

Indication :
Respiratory tract infections, urinary tract infections, E.N.T., skin infections and soft tissue infections, gastro intestinal tract infections, intra- abdominal gynaecological infections

Cokuf-Q

Composition :
Paracetamol + chlorpheniramine Maleate + Phenylephrine Hydrochloride + Caffeine

Packing :
10 x 10

Indication :
It is indicated in Acute cough and cold

Cokuf Tablets

Composition :
Ephedrine HCl, Bromhexine HCl, Chlorpheniramine Maleate

Packing :
10x20

Indication :
Used in Breathing problem, Bronchial Asthma, Bronchitis(Swelling in respiratory tract)

Clavitec-625

Composition :
Amoxicillin 500+ Potassium Clavulanate-125mg

Packing :
10 x 1 x 6

Indication :
Used to treat bacterial infections of the respiratory tract, urinary tract, E.N.T. and to prevent skin or soft tissues infections after surgery.

Coflox-200

Composition :
ofloxacin 200 mg

Packing :
20 x 10

Indication :
Distinguished drug in Typhoid, Lower Respiratory Tract Infection, Highly effective in Urinary Tract Infection

Co-Orange Tablets (bottle)

Composition :
Vitamin B1 - 1mg
Vitamin B2 - 1mg
Vitamin B12 - 1mg

Packing :
500 tablets

Cozin-10

Composition :
Cetirizine Dihydrochloride 10mg

Packing :
10 x 5 x 10

Indication :
Used in Running/Stuffy nose, Watery eyes and Sneezing

Dilonac Plus

Composition :
Diclofenac Sodium I.P. - 50mg +
paracetamol I.P. - 325mg

Packing :
20 x 2 x 10

Indication :
Skeletal Muscle Spasms, Low Back Pain, Fever associated with pain, Neck Pain and Shoulder Pain

Dilonac MR

Composition :
Diclofenac Sodium - 50mg +
Paracetamol 325mg + Chlorzoxazone 250mg

Packing :
10 x 10

Indication :
Skeletal Muscle Spasms, Low Back Pain,
Fever associated with pain, Neck Pain
and Shoulder Pain

Folic Acid-5mg

Composition :
Folic acid 5mg

Packing :
10 x 45

Indication :
Used for the treatment of anemia due to folic acid deficiency caused by poor diet, or increased requirement of folate in the body.

Glitec

Composition :
Glimeiride - 2mg

Packing :
10 x 10

Indication :
Improve blood sugar control in people
with type 2 diabetes.

Grisotec-250

Composition :
Griseofulvin - 250mg

Packing :
10 x 10

Indication :
Used as antifungal particularly
for ring worm

Ifugesic Jr. DT

Composition :
Ibuprofen + Paracetamol

Packing :
20 x 10

Indication :
Used in children indicated for high fever and pain in body

Liz (Blister pack)

Composition :
Levocetirizine Hydrochloride 5mg

Packing :
10 x 5 x 10

Indication :
Given for reducing nasal congestion and allergic symptoms maintains nasal airflow. Effective in relieving itching and rashes

Liz (Alu-Alu)

Composition :
Levocetirizine Hydrochloride 5mg

Packing :
20 x 10

Indication :
Given for reducing nasal congestion and allergic symptoms maintains nasal airflow. Effective in relieving itching and rashes

Loperamide

Composition :
Loperamide Hydrochloride I.P. 2mg

Packing :
10 x 5 x 10

Indication :
It is used to treat sudden Diarrhea, Decreases Bowel movement & makes stool less watery

Mef Spas

Composition :

Mefenamic Acid - 250mg + Dicyclomine Hydrochloride - 10mg

Packing :

20 x 10 (B/P)

Indication :

Symptomatic relief of colics such as intestinal, biliary and ureteric, as well as for spasmodic dysmenorrhea

Nem-P

Composition :

Nimesulide B.P. - 100mg + Paracetamol I.P. - 325mg

Packing :

20 x 10 (B/P)

Indication :

Given for fever and bodyache. Relieves acute pain and swelling

Norlox kid

Composition :

Norfloxacin-100mg

Packing :

10 x 20

Indication :

Given in Stomach infection and Urinary Tract Infection

Pain Relief

Composition :

Paracetamol + Diclo sod.+ Mag. Trisilicate+C.P.M.

Packing :

20 x 25

Indication :

Used in Breathing problem, Bronchial Asthma, Bronchitis(Swelling in respiratory tract)

Paracetamol

Composition :
Paracetamol - 500mg

Packing :

Indication :
It is used in headache, muscle aches, arthritis and fever

Pentomax-D

Composition :
Pantoprazole sodium + domperidone

Packing :
20 x 1 x 10

Indication :
It is indicated in heartburn, gastritis, ulcers and GERD.

Rabitec-20

Composition :
Rabeprazole Sodium IP 20 mg

Packing :
20 x 10

Indication :
Indicated for GERD and active peptic ulcer disease

Ranitidine-150

Composition :
Ranitidine Hydrochloride - 150mg

Packing :
15 x 20 (Strip)

Indication :
Indicated in Excess Acid in Stomach

Rani-DM

Composition :
Ranitidine Hydrochloride - 150mg +
Domperidone - 10mg

Packing :
10 x 10

Indication :
Given in Vomiting and For Acidity.

Salbutamol

Composition :
Salbutamol - 2 mg

Packing :
10 x 5 x 10

Indication :
Treat or prevent bronchospasm in patients with
asthma, bronchitis, emphysema, and other
lung diseases.

Ampicilline

Composition :
Ampicillin 250 mg

Packing :
20 x 10

Indication :
Used in bacterial infection

Comox-250

Composition :
Amoxicillin Trihydrate 250mg

Packing :
10 x 3 x 10

Indication :
Effective against respiratory, urinary, ENT infections, typhoid fever, Genitourinary tract infections.

CAPSULES

Comox-500

Composition :
Amoxicilline Trihydrate 500mg

Packing :
20 x 10

Indication :
Effective against respiratory, urinary, ENT infections, typhoid fever, Genitourinary tract infections.

Cocid-20

Composition :
Omeprazole 20 mg

Packing :
20 x 10

Indication :
Used when acid comes to your throat from stomach causing heart burn leads to heart burn

Cocid-DM

Composition :
Omeprazole + Domperidone

Packing :
20 x 10

Indication :
Used as heart burn and to stop vomiting (antiemetic)

Coferofol

Composition :
Multivitamin cap

Packing :
15 x 20

Indication :
Used to treat anemia and to meet the nutrients in infection

Cospasmo Proxymon

Composition :
Paracetamol 325mg
Dicylomine 10mg

Packing :
18 x 8

Indication :
Used for anti spasmodic

Tet-250 mg

Composition :
Tetracycline 250 mg

Packing :
20 x 10

Indication :
Used in Anti bacterial infection

Ferofol

Composition :
Iron with Folic Acid

Packing :
10 x 30

Indication :
Used for Treating Anemia

Itrotec

Composition :
Itraconazole-200mg

Packing :
1 x 20 x 4

Indication :
Used in Skin infection

Lycotec

Composition :
Lycopene-2000 mcg, Vitamin A, Vitamin C
Vitamin E, Zinc sulphate monohydrate and
sodium selenate

Packing :
10 x 10

Indication :
Used to increase our antioxidant levels,
Strengths our body defence system

Pentomax-DSR

Composition :
Pantoprazole sodium + domperidone

Packing :
20 x 10

Indication :
It is indicated in heartburn, gastritis, Ulcer
& GERD

Cokuf Syrup

Composition :
CPM+Ammonium clo.+sodi.citrate+menthol

Packing :
100 ml.

Indication :
Expectorant cough syrup

Chloramphenicol Palmitate Kid

Composition :
Chloramphenicol palmitate 125 mg

Packing :
30 ml.

Indication :
It is a broad spectrum Antibiotic.
Effective drug for Typhoid

SYRUP

Chloramphenicol Palmitate

Composition :
Chloramphenicol palmitate 125 mg

Packing :
50 ml.

Indication :
It is a broad spectrum Antibiotic.
Effective drug for Typhoid

Comox Dry Syrup

Composition :
Amoxycilline 125 mg

Packing :
30 ml.

Indication :
Indicated in Upper Respiratory Tract Infection
and Lower Respiratory Tract Infection

Lycotec Syrup

Composition :

Lycopene with multi minerals

Packing :

200 ml.

Indication :

Used to increase antioxidant level,
Strengths our body defence system

Meftec-P

Composition :

Mefenamic acid and Paracetamol suspension

Packing :

Indication :

It is indicated for pain and fever in children.
It is used as an antipyretic as well as analgesic

Multivit Drop

Composition :

Vitamin A Conc(as palmitate) IP-3000IU
Multi Vitamins for baby

Packing :

15 ml.

Indication :

Increases the Immunity and helps to fight
against infection

Nem-P Syrup

Composition :

Each 5ml contains
Nimesulide BP - 50 mg
Paracetamol - 125mg

Packing :

50 ml.

Indication :

Used in fever and Pain(analgesic &Antipyretic)

Nortec-M Suspension

Composition :

Each 5 ml contains
Norfloxacin IP - 100mg
Metronidazole - 100mg

Packing :
30 ml.

Indication :

Used in diarrhoea caused by Salmonella and Shigella

Treptadine Syrup

Composition :

Cyproheptadine + Tricholine Citrate

Packing :
200 ml.

Indication :

Used to increase the appetite and cure hepatic (liver) disorder

Co-Pain Relief Cream

Composition :

Diclofenac B.P. - 1%
Methyl Salicylate 10%
Menthol 5%
Benzyl Alcohol 1%

Packing :
20 x 30

Indication :

Localised skin pain killer (analgesic)

Clobotec-GM

Composition :

Clobetasol Propionate, Gentamicin
Miconazole Nitrate & Zinc Oxide
with Borax cream

Packing :
10 gm.

Indication :

Anti-fungal, Anti-bacterial, Anti Inflammatory
Astringent

Quaderm-RF Cream

Composition :

Beclomethasone
Dipropionate - 0.025 %w/w
Clotrimazole I.P. 1% w/w
Neomycin Sulphate I.P. 0.5% w/w

Packing :
20 x 5 g

Indication :

Indicated for Antibacterial, Anti-fungal and Anti Inflammatory use

Danfree Shampoo

Composition :

Ketoconazole IP 2% w/v

Packing :
75 ml.

Indication :

Used in Anti Dandruff, Controls Flaking, scaling and Itching of scalp

Hand Sanitizer

Composition :
Hand Sanitizer

Packing :
50 ml

Indication :

Used to kill topical germs

Itrazo Powder

Composition :
Itraconazole 1%w/w

Packing :

Indication :

Used in Skin Infection caused due to fungus and Bacteria

INJECTABLE

Biomyca-500 mg

Composition :
Amikacin inj.

Packing :
2 ml.

Indication :
Indicated in Systemic Infection, Dermatological Infection and Eye Infection

Ceftec 1 gm.

Composition :
Ceftriaxone 1 gm

Packing :
1 gm.

Indication :
Indicated in Lower Respiratory Tract Infection, Urinary Tract Infection, Severe Diarrhoea, Typhoid fever, Meningitis, Bone and Joint Infection

Ceftec-S 1.5 gm.

Composition :
Ceftriaxone 1 gm + Sulbactam 500mg.

Packing :
1.5 gm.

Indication :
Indicated in Lower Respiratory Tract Infection, Urinary Tract Infection, Severe Diarrhoea, Typhoid fever, Meningitis, Bone and Joint Infection

Ceftec

Composition :
Ceftriaxone 500 mg

Packing :
500 mg

Indication :
Indicated in Lower Respiratory Tract Infection, Urinary Tract Infection, Severe Diarrhoea, Typhoid fever, Meningitis, Bone and Joint Infection

Dexaprime

Composition :
Dexamethasone 4mg/ml

Packing :
2 ml.

Indication :
Inflammatory conditions, Allergic Disorder,
Arthritis, breathing Problems

Dilonac Ampoules

Composition :
Diclofenec Sodium

Packing :
20 x 5 x 3 ml.

Indication :
Indicated in chronic and severe pain

Pantomox

Composition :
Pantoprazole Inj

Packing :
40 mg

Indication :
Indicated for Gastric Ulcer, Duodenal Ulcer
& NSAID induced Gastritis

VETERINARY

Ceftec-S-Vet

Composition :
Ceftriaxone+Sulbactam

Packing :
3 gm.

Indication :
Indicated in Lower Respiratory Tract Infection, Urinary Tract Infection, Severe Diarrhoea, Typhoid fever, Meningitis, Bone and Joint Infection

Cefpzone-S (3gm.)

Composition :
Cefoperazone+Sulbactam

Packing :
3 gm.

Indication :
Broad spectrum anti bacterial drug

Ceftec-Vet

Composition :
Ceftriaxone Inj

Packing :
3 gm.

Indication :
Indicated in Lower Respiratory Tract Infection, Urinary Tract Infection, Severe Diarrhoea, Typhoid fever, Meningitis, Bone and Joint Infection

Cefpzone-S (500 mg)

Composition :
Cefoperazone+Sulbactam

Packing :
500 mg.

Indication :
Broad spectrum anti bacterial drug

Ivetec

Composition :
Ivermectin Inj

Packing :
10 x 10 ml.

Indication :
Treatment of parasitic infections of intestinal tract

Oxyvet Bolus

Composition :
Oxytetracycline Hydrochloride 500mg

Packing :

Indication :
Used in animals for Bacterial
Pneumonia and Diarrhea
